New Contract Wins

OneClickHR, the AIM quoted HR software, training services and solutions provider, is pleased to announce further contract wins for its HR software, HR.net.

Recent sales of HR.net have included Rentokil Initial plc, the global services company employing over 79,000 staff in 49 countries and Groupama Insurances, one of the UK's leading general insurers and a wholly owned subsidiary of one of Europe's most powerful financial groups. In each case HR.net was selected after a rigorous tender and comparison exercise.

Frank Beechinor of OneClickHR, commented:

"HR.net is unique with its flexibility to meet client requirements. With its extensive functionality, clients with HR.net have the ability to deploy consistent process and policy rapidly and ensure that their workforce data is effectively and efficiently managed, freeing managers to make well informed decisions."

Bryan Kinsella, Chief Information Officer for Rentokil Initial plc, commented:

"We have selected HR.net to help us consolidate our data for our managers worldwide. We believe the configurability and global capabilities of the HR.net technology will help us improve management reporting and automate key HR processes".
